Dear Marc:

We just wanted to thank you for the fantastic job you did at our daughter's Bat Mitzvah. Not only were your tricks unbelievable (no one figured them out), but the way you engaged our guests brought energy and life to the party. People were excited when you approached a group or, as was the case most of the time, groups of people seemed to hover around you waiting for your next feat of magic.

I would be happy to talk with any of your prospective clients to let them know how you brighten up any affair. Please let me know if you ever need a reference. Any remember, our son's Bar Mitzvah is 4 years from now, so we will be calling you for that special day.

Warmest Regards,
