Dear Marc Alan,

Thank you so much for lending your talent and time to the Jesse Dweck City Learning Center's Cocktail Night on July 18th 2006. Thanks to you the entire night was a huge success. Your magic and mentalism brought awe to the faces of all in attendance and kept everyone guessing the whole evening through. You were truly a gentlemen and fabulous to watch!

You were truly an asset to the entire party making it a night to never be forgotten by all in attendance. Your professionalism and ability to put a smile on everyone's face is astounding.

Marc, you are an incredible performer and gifted magician. I highly recommend you to anyone seeking an entertainer of your expertise and talent.
