Dear Magic Marc:

First, I would like to apologize for sending this thank you letter so late.

Second, I would like to express my gratitude for your performances at Wildcat Academy Charter School. As you know, our students have not previously had as many positive experiences in their schooling. Performances like yours, however, allow them to see that positive experiences can be a part of the educational experience. A magic show for these students brings them from the often difficult realities of urban life in the South Bronx. Additionally, the staff appreciated the fact that you had twenty-year old ex-gang members on the edge of their seats much like an elementary student would. This aspect of your magic show is what amazed me the most as you had our most difficult students entranced as you wowed them with your skills.

I would like to invite you back to Wildcat Academy in the near future to perform more magic tricks on and for our students.

All the best.

In appreciation,

Marc Donald
Director
