

Dear Marc,

Belatedly, but no less gratefully, I want to thank you for making my 30th birthday so much fun, and so memorable! The pictures don't do justice to how much everyone enjoyed your performance - I really wish I had a good photo of my cousin Jordana as she was staring at you, full of wonder! That day was such an amazing one, and even more so because of you! Thanks again & best of luck in all your future endeavors!

Ordially,
Simao
